Proudly Present

Green Christmas

December 9th, 2019 - During School Hours

This is a wonderful opportunity for Students to purchase gifts for their loved ones at school, learn about money and finances and discover the joy of giving!

Please support this wonderful event by sending in donations of NEW or GENTLY used gifts that can be purchased at small prices by our students as a gift for someone special to them.

In order to make our students 1st Green Christmas a success We will also be looking for Volunteers and donations of gift wrapping supplies, gift tags, bags, wrapping paper etc - anything you can spare!

Please send in no later than Monday December 2nd.

Please keep your eye on our Facebook page (TES Parents Association) and School Website for our upcoming online Volunteer sign up link.

Thank you!
